

WINDSOR CASTLE

Windsor is a quaint but bustling riverside town located to the west of London. Cobbled streets and small, winding alleyways make it a veritable cornucopia for historians and visitors alike. The towers and walls of Windsor Castle dominate the town in splendid majesty as befits the world's most famous royal residence. Visit the magnificent Windsor Castle State Apartments with their priceless collections of furniture and art along with St. George's Chapel, home to the Most Noble Order of the Garter and in which many Kings and Queens have been buried and also the location of the Royal Wedding of Prince Harry to Meghan Markel.

An interior visit will be made to the Castle followed by a walking tour across the river to Eton, home to our most famous 'public' schools, Eton College which was founded by Henry VI in 1440. Eton has educated 19 British prime ministers and members of the Royal family including Princes William and Harry.

*Roundtrip Transportation and Lunch are Included
